

## Zoo Keeper For The Day Experience

Spending a whole day alongside our keeper team is a unique opportunity to learn all about Camperdown Wildlife Centre and the fabulous animals that live here. Your action-packed itinerary will feature the chance to work on various animal sections. Your day includes cleaning out enclosures, preparing food and, of course, the opportunity to meet some of the animals at close quarters - so it's guaranteed to be a fun.

We are sure you will be delighted with this unique experience and we look forward to arranging a date for your very special Keeper for the Day experience.

Being a Keeper for the Day can include preparing diets, cleaning enclosures, feeding, enrichment and observing behaviour.
